REALM

The Magazine of Britain's History and Countryside

Dear Friend:

By now you should have received your very first issue of REALM. I hope it was like a holiday in Britain -- an enjoyable visit you'd like to repeat.

If so, now's the time to ensure you receive the forthcoming issue...and retain your preferred status as a North American subscriber... by returning our invoice with your cheque.

Remember, your special North American subscription price represents a substantial savings over both the regular subscription rate and newsstand cost. Plus, as a North American reader you'll be eligible for REALM-sponsored tours of the British Isles and the Competitions in each issue of REALM.

So do let us hear from you.

Yours sincerely,

E.R. Lewis
